STATION KTVN IS AN EQUAL OPPORTUNITY EMPLOYER

6) **Total Number of Interviewees Referred:** For the period from May 23, 2020 to May 22, 2021, this Employment Unit interviewed thirty-nine (39) interviewees for fourteen (14) full-time job vacancies.

7) **Supplemental Recruitment Initiatives.**

(a) **Initiative: Training of Station Personnel**

Production Department Training Program

The Employment Unit has established a training program designed to enable part-time station personnel to acquire skills that could qualify them for higher level positions. The Employment Unit has 4 entry level part-time positions in the Production Department, covering various studio jobs (camera, audio, teleprompter, graphics, etc.) and 2 entry level paid intern positions in the news department giving exposure to various news jobs (writing, shooting videos, editing, etc.). The Operations Manager and News Director oversee this program, and these employees receive training through shadowing and interacting with the full time staff on a daily basis. These part time employees work closely with more experienced full time employees in order to gain the skills needed to qualify them for promotion to higher level full time positions such as audio operator, character generator/graphics operator and possible full time employment in the News Department. This program has resulted in many internal promotions.

Initiative: Establishment of a Mentoring Program for Station Personnel

Mentoring of Station Personnel

Two (2) full time employees and five (5) part time employees were promoted after participating in a professional coaching/mentoring program established by KTVN:

Part Time Production Assistant to Full Time Associate Producer
Part Time Production Assistant to Full Time Production Assistant
Part Time Production Assistant to Full Time Digital Content Producer
Part Time Production Assistant to Full Time Associate Producer
Part Time Production Assistant to Full Time Production Assistant
Full Time News Photographer to News Photographer/Satellite Truck Operator
Full Time Associate Producer to Full Time Production Assistant

These employees were coached and mentored by the News Director and Operations Manager to give them career guidance and help them improve their skills to a level of competence that allowed them to succeed in these career advancing promotions.

(b) **Initiative: Internship Program**

KTVN offers paid internships across the fall, spring and summer semesters. Priority is given to Journalism students who need internship credits to complete their college curriculum. The overall goal of the internship is for students to get a thorough understanding of the various jobs and activities involved in producing daily newscasts. Interns have the opportunity to rotate through those various positions and work alongside professionals to learn writing, producing, reporting, shooting and editing, all skills needed for broadcast employment. During the reporting period, KTVN hired one intern.
